### DEVELOPMENT SECRETARIAT

Official Memorandum dated 6th March 1946.

**No. D. 6749—I. & C. 43-44-54.** The following Press Note dated the 23rd November 1945, regarding certain modifications in the scheme for registration of post-war requirements of capital goods, issued by the Government of India, are republished for general information, in continuation of the previous notifications on the subject published in the *Mysore Gazette* dated 15th February 1945 and 30th August 1945, respectively.

*Facilitating Capital Goods Imports.*

With a view to facilitating early consideration of applications for registration of requirements of capital goods for the cotton textile industry, it has been decided that the Deputy Chief Controller of Imports, Bombay, who is the licensing authority for cotton textile machinery, millstores, and component parts, should receive such applications on behalf of the Chief Controller of Imports, New Delhi.

Applications for registration of such goods should therefore, in future be addressed to the Deputy Chief Controller of Imports, Bombay, in the first instance, in the prescribed form.

It has also been decided that imports of capital goods for stock and sale, whether for the requirements of the cotton textile industry or any other industry, will require registration only, if the value of any of the individual units included in the stock order is Rs. 25,000 and over (or Rs. 10,000 and over in the case of machine tools), irrespective of the total value of the order.

It has further been decided that, in future, when once an application has been accepted for registration, an import license will be issued as quickly as possible after issue of the Registration Certificate, from whatever country import has been registered and whatever the goods concerned. In other words acceptance of registration carries with it automatically the right to an import license.

6571 C. E. NORONHA, *Dev. Secy.*
